Networking for the FUTURE!

United Community Association Networking:

Was created by a group of individuals who were approached asking for a different "type" of avenue to receive their continuing education and networking with like minded local individuals in the area.

NETWORKING: Will be with the top Companies in this area showing leadership in their fields, high standards of workmanship and quality of services. Companies and Individuals who are interested in the Community and in their respective fields of expertise!

HIGHEST STANDARDS:

On regular basis there will be a review of the membership for any Companies or Individuals who have shown a disposition of poor Quality, poor Management and poor Communication with their clients and their membership will be terminated to keep the highest standards of the Group!

- ✓ Highest standards for our members
- ✓ Networking with like minded individuals in your field and with the people you want to do business with
- ✓ Education for Community Association Managers
- ✓ Reference Material for Board Members, Managers and Vendors
- ✓ Beautiful and Convenient Meeting locations
- ✓ Regular Social Events for our members and their Family
- ✓ Non-Profit... all proceeds will go back to the group to off-set parties, dinners or social events
- ✓ Meetings held at: Cross Creek Country Club 13050 Cross Creek Blvd. Fort Myers Florida (1st Monday of the month unless it falls on a holiday then the second Monday)

For Additional Information call 239 277-0112, fax your request to 239-277-0114 email at ftmyersnetworking@gmail.com or go to our website at www.ftmyersnetworking.com

Mission Statement: To make a positive impact with mutual business associates by establishing, building up and maintaining friendships with club members that bring forth advantageous relationships and develop continued business opportunities. To motivate and inspire managers, vendors and community members in achieving educational values that inspire confidence,
